About TBET

TBET is a Thai-Baht (“THB”) outward remittance service to Thailand. Instead of processing via SWIFT, which is the market practice, Bangkok Bank Berhad (“BBB”) is using TBET as the front-end channel for THB **real-time** transfer.

Benefits

Real-time transfer i.e. immediate credit to the beneficiary’s account as compared with SWIFT payment channel which is T+1.

Features

- **Real-time** THB transfer to **Thailand**.
- Available to BBB’s customer to transfer THB to **Thai Resident Individual** (beneficiary) who has **Bangkok Bank Public Company Limited (“BBL”)** **Baht Account** in Thailand.
- **Transaction limit** up to THB700,000.00 per transaction.
- Notification of credit will be sent to the beneficiary via **SMS alert**. The cost of the SMS will be borne by BBL.
- Support customer service by **BBL Call Center 1333** (For beneficiary’s enquiry in Thailand).
- **Fees and charges** as per our normal remittance (No additional charges).
